Did you know Thanksgiving is always on Thursday? Did you know that the day after Thanksgiving is also a holiday? It is called Black Friday. It sounds like a scary movie, but the holiday isn't scary at all. The day after Thanksgiving is the first day of the Christmas shopping season. People call it Black Friday because the color black means a company is making money. Stores in America have their biggest sales on Black Friday. Lots of people line up outside the stores. Many people camp outside the stores over night. The sales are so crazy. One popular store in America sold a 55 inch LCD HDTV for USD\$395 (NTD\$13,000). It is a really low price so everyone wants one, but the store will only have a few TVs. When the store opens the doors, people will push each other to get in. Try to think of five little fish. Now think if those five fish are in a pool with 300 sharks? This is what Black Friday is like. It is a really big holiday in America and now it is in the UK and France. If you want to get great deals, you can wait until the Cyber Monday. It is the Monday after Black Friday. That day internet shops will have their biggest sales of the year.

51. What does the color black mean to stores?

- (A) Scary movies (B) Biggest sales (C) Making money (D) Shopping season

52. Which of the following is said in the reading?

One day, a farmer's old horse fell into a well. The horse was lucky because there was no water in the well. However, the well was too deep for the horse to get out of. The farmer felt bad for the horse, but he didn't know how to save it. He then decided to bury it in the well because he didn't need the old horse or the dry well anymore.

The farmer asked his friends to help him throw dirt into the well. The horse started to cry when it saw what was happening. But suddenly, an idea came to its mind. Every time the dirt hit its back, the horse would shake it off and walk on it. Finally, the farmer and his friends threw enough dirt into the well, and the horse was able to jump out. The horse didn't give up when it was being buried. Instead, the horse found a way to save itself. The lesson of the story is simple: when life gives you lemons, make lemonade.
